Manual Conversion Steps for SMTP Authentication – Smartphone: Android 4.0

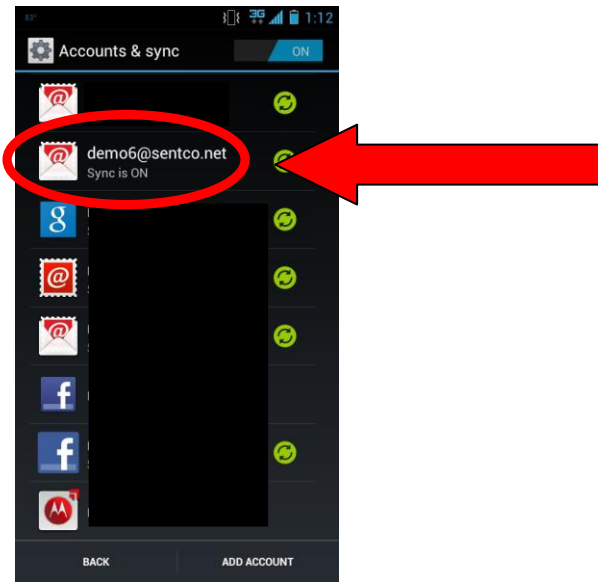

1. Open your email account settings on your smartphone by going to **Settings** in your app list

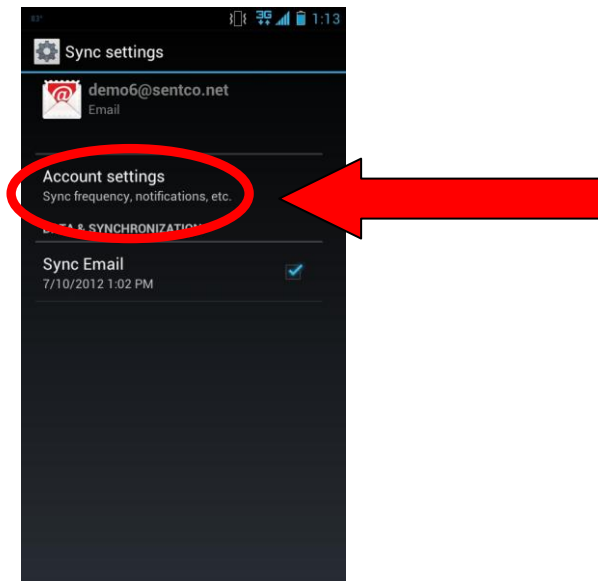

2. Tap **Accounts & sync**

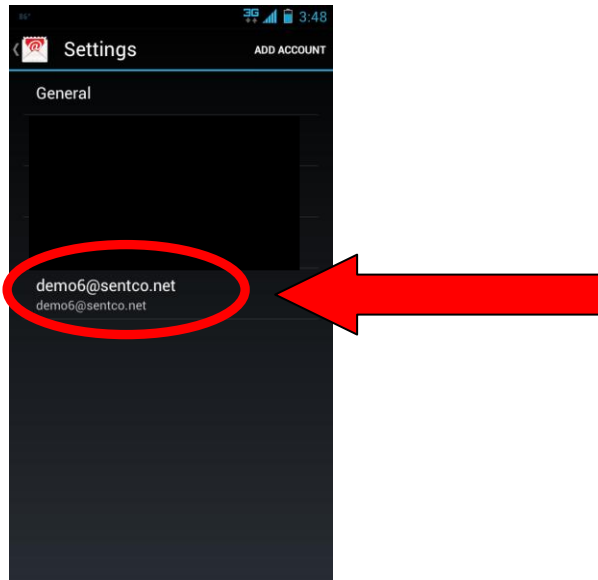

3. Choose your sentco.net account

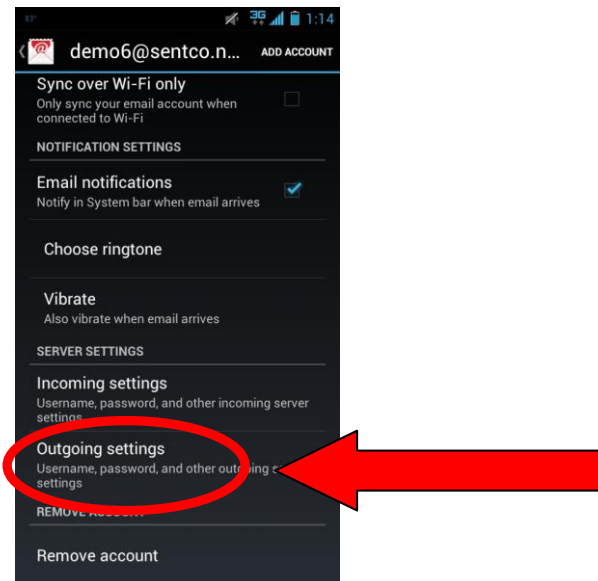

4. Tap Account settings

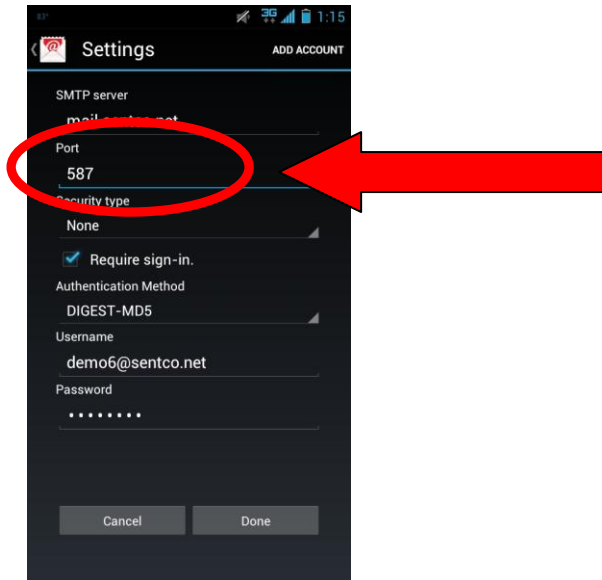

5. You may be asked to tap your sentco.net account again. If this screen does not appear, move on to Step 6.

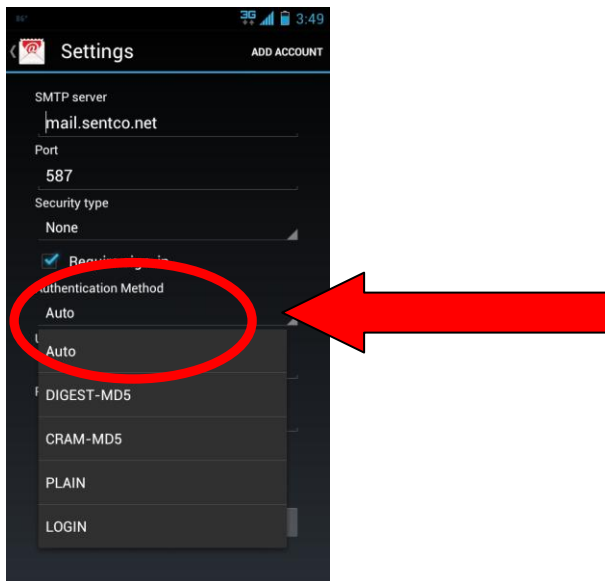

6. Click **Outgoing settings**

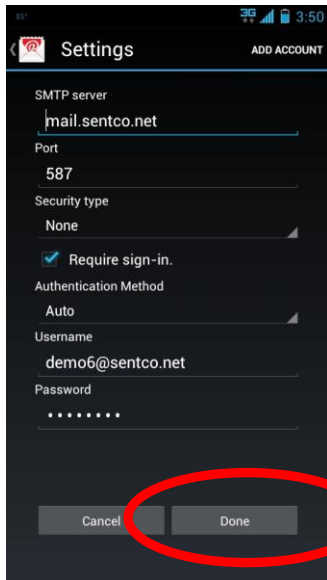

7. Change the port number to **587**

8. Tap **Authentication Method** and choose **Auto**

9. Click Done

You have now made the required changes.

Feel free to contact our office with any questions, (402) 245-4451.
