# My DVR

The Recorded Programs feature lets you record programming for repeated viewing or viewing at a later time. Use My DVR to view the programming you record.

### Set a Manual Recording

Manual recordings let you specify a specific time, channel, and/or date to record without using the channel guide. For example, you could record one channel for an entire evening.

In the Main Menu, select My **DVR** and then **Set Manual Recording**.

Press buttons ( $\lhd \triangleright \bigtriangleup \bigtriangledown$ ) to select up or down arrows at each field, then press ok to scroll to the setting you want:

### Channel

From/To-Start/end times

**Repeat**—How often to record at these settings, such as Just Once, Weekdays only, Daily

Period start-Date to start recording

Press  $\bowtie$  to backspace your entries. For example, to change 9:30 to 9:00, press  $\bowtie$  twice and then type *00*.

- 1. To name this settings group, click the **Name** tab.
- 2. In the pop-up keyboard, press arrow buttons to select letters. Press ok after each letter to spell the name, and then select the check mark or OK.

F If you don't select a name, the system will assign one. You will see it when you check recording schedules at My DVR > Scheduled.

- 3. On the Set Manual Recording window, select **Set** and then press ок. Click ок in the confirmation window.
- To view a list of programs you've scheduled, select My DVR > Scheduled.
